

Development Strategy and Plan of the Buddhist Temple University of Peradeniya

A Center for Spiritual Development, Propagation/ Promotion, Study and Practice of Buddhist Philosophy

ABOUT

Peradeniya University campus is the center of Buddhist religious activities within the university campus. This is the only Buddhist temple in the university system in Sri Lanka with a residential monk within the campus. The university community and the devotees of the surrounding townships and villages obtain services of the temple.

OBJECTIVES

- Spirituality Development Through the Practice of Dhamma
- Improving the Relevant Infra-Structure Facilities
